GOD THE KING OF KINGS: JESUS CHRIST

**"On his robe and on his thigh he had inscribed a name: King of kings and Lord of lords."
(Revelation 19:16)**

The world has never seen nor will it ever see a king like Jesus Christ, a ruler who is kind, loving, and all-powerful. In all His majesty, Jesus chose to serve and offer himself as the ultimate sacrifice because of His love for us. God's kingdom isn't about the power He holds over us, but about the love He has for us. When we pray to Jesus, let's have reverence and gratitude, let's turn every word into praise and celebrate Him as King, ruler of our hearts. May the glory of his name be the centre on which our lives turn.

A story from The Back Porch... One day a woman came into our office, she had just been at the abortion clinic for an ultrasound. She told us that she used to recommend abortion to her friends who had unplanned pregnancies, but now that it was her time and she saw her child, everything was different. **Now she could never advise anyone to have an abortion for any reason ever again. She knew that if she aborted her baby, she would regret it for the rest of her life. This was a woman who originally was going to have an abortion that day; instead, she chose life and now promotes life as well.** There is hope that the end of abortion is possible!

December is the month of HOPE

"In you, Lord my God, I put my trust." (Psalm 25: 1)

King of kings is a translation from the Greek phrase Basileus Basileon - does it remind you of the word "basilica"? Fun fact, Basilica means "the hall of the King." When we have our hope anchored on the King of Kings, we can have a full trust that all the promises Jesus has made are true - today, and tomorrow. The plans God has made for us are plans for good, to give us a future and hope. Let's pray for the hope of a future filled with children and preborn children who come to learn of God's full love for them.

In December, we are praying for THE END OF ABORTION

"Now faith brings our hopes into reality and becomes the foundation needed to acquire the things we long for. It is all the evidence required to prove what is still unseen. This testimony of faith is what previous generations were commended for." (Hebrews 11: 1-2)

We know that God has a greater plan, and we may not understand the timing of it but we can trust Jesus is at work with every woman who is pregnant. We can then apply our faith by placing our hope in the kingdom reality where abortion doesn't exist. Anything is possible with God!

THANK-YOU FOR RESPONDING TO GOD'S CALL TO PRAYER.
